## “Almond Joy” Macaroons

MAKES 30 COOKIES

Prep time: 1 hour, 10 minutes

Total time: 2 hours, 40 minutes

½ cup crushed pineapple in juice, drained  
1¾ cups unsweetened shredded coconut  
1 cup sugar  
¾ cup egg whites (from about 5 large eggs),  
or ¾ cup liquid egg whites  
¼ cup all-purpose flour  
½ teaspoon salt  
½ teaspoon pure vanilla extract  
Cooking spray

30 whole raw almonds, skin on  
¼ cup semisweet chocolate chips

**1. In a medium saucepan**, cook the first 6 ingredients over medium-high, stirring constantly, for about 5 minutes or until liquid has evaporated and mixture is sticky. Remove from heat, stir in vanilla, and refrigerate for 1 hour.

**2. Preheat the oven to 350°F** with a rack in the center position. Coat a baking sheet with cooking spray or line it with a silicone baking mat.

**3. Scoop out 30 tablespoon-size balls**

of dough onto prepared baking sheet half an inch apart; press an almond into the top of each. Bake for 20 to 25 minutes or until golden-brown, rotating pan halfway through. Transfer cookies to a wire rack and let cool completely, about 1 hour.

**4. In a small, heat-safe bowl**, microwave chocolate for 25 seconds; stir. Continue heating in 5-second intervals until melted; spoon over cookies in a zigzag pattern. Allow chocolate to harden before serving.
